## ABOUT CIMETRA®

CimetrA® Oral Drops is a premium water-based suspension combining vitamin E (natural d-alpha-tocopherol) with standardised *Curcuma longa* L. (turmeric) and *Boswellia serrata* (frankincense) extracts, prepared with an advanced micellar delivery system for enhanced absorption.

**Vitamin E contributes to the protection of cells from oxidative stress.**

## COMPOSITION PER DAILY DOSE

| | per 1 ml (recommended) | per 2 ml (maximum) |
|---|---|---|
| Vitamin E | **20.8 mg α-TE (173 % NRV*)** | **41.6 mg α-TE (347 % NRV*)** |
| *Boswellia serrata* (frankincense) gum resin extract | **15 mg** | **30 mg** |
| *Curcuma longa* L. (turmeric) rhizome extract | **7 mg** | **14 mg** |

* NRV = nutrient reference value. NRV not established for botanical extracts.

## RECOMMENDED DAILY DOSE

**1 ml daily**

**If needed, up to 2 ml per day (1 ml in the morning + 1 ml in the evening)**

**Take:**
Shake well before use. Using the graduated pipette, measure 1 ml and add it to a small glass of water or juice. Stir and drink. Take once daily, preferably with a meal.

**Do not exceed 2 ml per day.**

## INGREDIENTS

Purified water; emulsifier: macrogolglycerol hydroxystearate; humectant: propylene glycol; carrier: macrogol 400; benzyl alcohol; antioxidant: vitamin E (alpha-tocopherol); *Boswellia serrata* (frankincense) gum resin extract; *Curcuma longa* L. (turmeric) rhizome extract; preservatives: sodium benzoate, potassium sorbate.

### WATER-BASED SUSPENSION

Gentle, easy-to-take formula with excellent stability.

### ADVANCED MICELLAR DELIVERY

Micellar technology for improved bioavailability of botanical extracts.

### BOTANICAL EXTRACTS

Standardised extracts of *Boswellia serrata* and *Curcuma longa* L.

### PHARMACEUTICAL EXPERTISE

Developed by Argent BioPharma, a pharmaceutical research company specialising in botanical actives.

### QUALITY ASSURED

Produced in Slovenia under strict quality standards for purity and consistency.

## STORAGE

Store in a dry place below 25 °C, away from sunlight. Do not freeze. Shake well before use. Once opened, use within 30 days.

**Keep out of reach of young children.**

## IMPORTANT INFORMATION

- Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle.
- Do not exceed the recommended daily dose of 1 ml (maximum 2 ml per day).
- Consult your healthcare professional before use if you are pregnant, breastfeeding, taking medication or have a medical condition.
- If any adverse reactions occur, discontinue use and consult your healthcare professional.
- Keep out of reach of young children.

PLEASE RECYCLE

## HOW TO USE THE PIPETTE

1. Shake the bottle well.
2. Squeeze the bulb and draw liquid up to the 1 ml mark.
3. Add to a small glass of water or juice, stir and drink.

## ABOUT VITAMIN E

Vitamin E (alpha-tocopherol) is an essential nutrient that contributes to the protection of cells from oxidative stress. Oxidative stress occurs when there is an imbalance between free radicals and antioxidants in the body.

## ABOUT BOSWELLIA SERRATA

*Boswellia serrata*, also known as Indian frankincense, is a tree native to India. CimetrA® uses a gum resin extract that is standardised for consistent quality.

## ABOUT CURCUMA LONGA L.

*Curcuma longa* L. (turmeric) is a well-known botanical from the ginger family. CimetrA® uses a rhizome extract that is carefully selected and standardised.
